Learn everything you need to dominate the stock market! When it comes to not just getting by, but truly accruing real wealth, there are few more well-known, but largely misunderstood ways of doing so than through proper manipulation of the stock market. This book builds upon my previous book - Stock Market Investing: Definitive Beginner's Guide - and takes you to the next level of expertise in stock trading. Here you will find simple cardinal rules that - if followed correctly - will lead to massive profit and success. Almost everyone has their own opinion of how to handle the volatility of the stock market. You may be tired of getting conflicting advice from different financial advisers and brokers who are in the business of making money for themselves instead of for you. In this book you will learn cardinal rules to help you navigate the sea of advice and the poor information that will otherwise misguide you. Mistakes in the stock market could decimate your financial health. If you want a passive income from stock markets, you will need the information in this book. Here is a preview of what you will discover: How to observe and assess the big picture when it comes to stock market investing Strategies to increase gains, and to generate gains which turn into cash and other assets How to create a fail-proof strategic plan for your investments Navigating high-stress situations successfully and how to come out on top How to let go of your "loser" stocks, gain opportunities in new areas, and receive tax credits And more Don't wait any longer to stop guessing and start winning!
